Good day Alexander,,

following up on our conversation the only option for your vessel to received LSMGO would be at Bolivar Roads or a layby berth if there is available but that needs to be checked by your local agent.

Please advise if any of these options are possible.

Many thanks,

Good day Alexandros,

Regarding your bunker request to Supply LSMGO OPL Galveston please note that the only two physical suppliers in that área (Glencore and Aegean) have advised that they do not have barge available to supply you with any LSMGO before the vessel will berth on the 18th for cargo ops.

Please do not heasitate to contact me again if any further request.
